STORY LINE: ALISON, TESSA, CAM and PATRICK are siblings and the children of MADELINE and EDWARD. They are a prominent Boston political family who finds itself in crisis when a chilling discovery appears to link them to a decade-old series of unsolved murders.

[ALISON] Early 40s, polished, poised, driven, fearless, articulate and politically savvy, Alison is a councilwoman running for Mayor of Boston. Mother to 6-year-old twin daughters with her trophy husband Tom, Alison has enlisted high-powered campaign manager Renee to shepherd her through the final six weeks of the mayoral campaign – and the two wind up embroiled in an affair. A woman who knows how to spin a story to her advantage, Alison is ruthlessly protective of her career, and quickly goes into damage control mode when she realizes that her sister and brother have uncovered a serious liability...SERIES REGULAR

[TESSA] Late 20s, bright, nurturing, likable and moral, Tessa is a public school teacher who's happily (and recently) married to Grady, a Boston police officer. A good egg and natural peacemaker, Tessa is supportive of her prominent Boston family - even Patrick, from whom the rest of the family is estranged. But Tessa soon finds herself deeply conflicted about how to handle a chilling discovery linked to her family...SERIES REGULAR

[CAM] Early 30s, a former cool kid grown world-weary, Cam is a sensitive, introspective artist and recovering drug addict who avoids the spotlight that other members of his prominent family seek. As Cam begins to realize that his eight-year-old son, Jack, has a serious, terrifying problem, he seeks comfort in the arms of his manipulative but magnetic ex-wife, fellow addict Sophie...SERIES REGULAR

[PATRICK] Mid to late 30s, rugged, a little rusty with emotions and human interaction, Patrick is the eldest son of a prominent Boston political family, but inexplicably left nine years ago to live a spartan existence in Maine, largely removed from human contact. Patrick returns home at the news of his father's heart attack, and it's clear that whatever drove him to stay away from home for so long could have serious repercussions now that he's back...SERIES REGULAR (31)

[MADELINE] Late 50s to early 60s, warm, intelligent, elegant, formidable, protective of the privileged life her family has been living, Madeline is happily married to Edward, a concrete manufacturer who made a fortune with Boston's Big Dig, propelling his family into wealth and prominence. Despite her outward appearance as a patrician Boston matriarch, the steely Madeline is capable of going to extremes to protect what they've all worked so hard to achieve...SERIES REGULAR (3)

[JACK] 8 years old, extremely smart, extremely strange, precocious, Jack is the son of Cam and Sophie, both addicts who are in the process of a divorce. Jack lives with his dad Cam at Cam's parents' luxurious Beacon Hill house. Jack shows some of his father's artistic talent, but has an alarming obsession with things that have to do with science, the body, and death... SERIES REGULAR (4)

[EDWARD] Late 50s to early 60s, charming, ambitious but relaxing into retirement, Edward is the patriarch of a prominent Boston family; originally from a working class background, Edward parlayed his concrete

company into significant wealth during Boston's Big Dig. A loving father and husband, Edward suffers a heart attack which lands him in the hospital in a coma, from which he awakens with a sudden attack of conscience...RECURRING GUEST STAR (3)

[RENEE FUENTES]Late 30s to early 40s, power suit, sexy, intimidating, smart, politically savvy, quick-thinking, always a step or two ahead of the game, Renee is Alison's campaign manager for her mayoral run. Very much on the ball, Renee can make adjustments at the drop of a hat if she has to, and she and Alison clearly see eye to eye; so much so that they wind up sleeping together...SERIES REGULAR, 10/13. SUBMIT ALL ETHNICITIES.

[GRADY]Early 30s, solid, honest, a touch of cynicism, Grady is happily married to Tessa, the youngest daughter of a prominent Boston family. A cop who's just been promoted to detective, Grady is starting work on a cold case that's suddenly had new evidence brought to light. A good man and a good detective, Grady is puzzled and a bit alarmed when Tessa seems to have some important information that she feels she can't tell him.. SUBMIT ALL ETHNICITIES. SERIES REGULAR (1)
