[NATALIE ATWOOD]30 years old. Very attractive, warm, fiercely intelligent, yet unpredictable. Natalie is a Boston prosecutor. Natalie carries guilt over an accident that killed their dad when she and her sister Grace were younger. Because of this, she puts intense pressure on herself to be perfect all the time. But that kind of pressure creates cracks and, from time to time, we'll see Natalie's crazy leak out. Natalie loves her sister very much - and is shocked when Grace becomes a murder suspect in an increasingly complicated case in London. Natalie will be forced to question her sister's innocence...and discover exactly how far she is willing to go to keep Grace out of jail. SERIES REGULAR
