[EMILY LOCKE]Mid to late 20s, attractive in an unassuming way, conscientious and grounded, with an inner strength hiding just below the surface. She works as an insurance claims adjuster and loves her job because she gets to help people. Typically quiet and undemonstrative, Emily likes to fly under the radar and just get her job done - - but is increasingly exasperated by the showy and disruptive antics of the various Superheroes who proliferate her city. An unlikely (and somewhat reluctant) hero, Emily finds herself drawing on her inner strength and pragmatism to stand up for the everyday folks of her city... SERIES REGULAR (1)

[DELBERT "DEL" HELLER]Late 30s-mid 40s, Emily's new boss in the claims department, he has just been promoted - not through any merit of his own, but because he's the owner's son. A self-proclaimed "rich, over-educated globetrotting wastrel," Del is a power-mad disaster as a boss, intent on a workplace dictatorship that will keep his underlings in a state of constant panic and fear and at the whim of his bureaucratic idiocy... SERIES REGULAR (11)

[MARCO DETWILER]Late 20s – early 30s, handsome and seemingly unattainable, this heartthrob has just been transferred to Emily's department along with his boss, Del. Emily has a long-time crush on him, but he's oblivious to her existence. Emily is thrilled when he shows a sudden and unexpected interest in her - - but is it genuine?... SERIES REGULAR (10)

[TEDDY]Mid to late 20s, cute, offbeat, and irreverent, he is Emily's best pal at work. He obviously has a big crush on her, but she's blind to his advances and remains strictly in the friend zone. As a trusted confidante, Emily lets him in on a huge secret, but swears him to silence... SERIES REGULAR (10)

[JACKIE]Mid 30s-early 40s, sassy and a bit of a character. She's a Superhero super fan, plastering her office cubicle with beefcake shots of Super Guys - any of whom she'd love to get into her bed. Del makes her his personal assistant and she begins buckling under his unreasonable and impossible-to-carry-out demands... SERIES REGULAR (6)

[MARVIN]Late 20s, funny, offbeat, character, twin brother of Wendy, he's Emily's co-worker in the claims department. Joined at Wendy's hip, he is constantly finishing her sentences - - incorrectly. He's terrified when the overbearing Del takes over their department and begins wielding his power... FRACTIONAL SERIES REGULAR (7)

[WENDY]Late 20s, funny, offbeat, character, twin sister of Marvin, she's Emily's co-worker in the claims department. Joined at Marvin's hip, she is constantly finishing his sentences - - incorrectly and annoyingly. She's also not thrilled when overbearing and power-hungry Del takes over as supervisor of the department... FRACTIONAL SERIES REGULAR (7)
