HONDO
(into radio)
20 David to Command. We've reached
the forward deck.

JESSICA (V.O.)
There should be a stairway just
interior of where you are. Access
to the bridge is three flights up.

HONDO
(into radio)
20 David. Roger that.

As Hondo and Chris head inside --

24 INT. WAREHOUSE ONE - DAY 24 *

Deacon and Tan move through the main corridor. Tan carries a
large BOLT CUTTER. Deacon's just hanging up from a call --

START → DEACON
According to the detectives at the
house, the Pope brothers rent this
place using their mother's name.

They approach one of the STORAGE UNIT DOORS, where a property
MANAGER stands waiting.

MANAGER
Gonna need to see a warrant before I
can open it up for you.

Deacon slaps a SEARCH WARRANT into the Manager's hand. The
Manager starts fumbling with a MASS OF KEYS on a ring.

TAN
That's alright, I got a master key
right here. **END**

Tan swings the Bolt Cutter up, SNAPS THE LOCK.

25 INT. WAREHOUSE ONE - STORAGE UNIT - DAY 25 *

Deacon and Tan enter, and quickly CLEAR THE SPACE --

TAN
All clear.

Holstering guns, they look around. The place is full of
STOLEN MERCHANDISE -- boxes of FLAT SCREENS, POWER TOOLS, a
couple MOTORCYCLES, cases of LIQUOR...

TAN (CONT'D)
I'm sure they've got receipts for
all this stuff...

Then Tan angles toward a DESK/WORKBENCH area, eyeing a
LAPTOP. As he opens it up, Deacon browses more boxes and
shelves, finds TWO BOXES of AMMO.
