INT. MORGAN AND KATE'S APARTMENT - DAY

Morgan and Kate are packing up Kate's stuff.

KATE

Wow, this rain is bad. I guess even God is sad I'm moving out.

MORGAN

I was on Twitter earlier and I think God has bigger fish to fry.

KATE

We've lived together since we were eighteen.

MORGAN

I know. I'm gonna miss you never buying groceries and drinking my expensive coffee, BUT I am looking forward to not falling asleep every night listening to you and Jimmy--

KATE

You can't hear us having sex!

MORGAN

Any more. But I can hear you guys reading Harry Potter to each other, which is worse.

KATE

It's so...

MORGAN

Lame.

Romantic.

KATE

MORGAN

He says Professor Doombelldory.

KATE

Is that not how you say it?

MORGAN

No. It's Dumbledore. Should I tell him the engagement's off or do you want to do it?

KATE

You think I should call it off?

MORGAN

How does he pronounce 'Gryffindor' again?

KATE

(serious)

You would tell me if you thought I should really call it off, right?

MORGAN

What's going on?

KATE

I don't know. We were broken up last week and now we're engaged and moving in together.

MORGAN

Do you want to marry him?

KATE

Of course. He's Jimmy!

MORGAN

He can be "Jimmy!" And you can still have doubts. Look, I know you guys make fun of me for still putting stuff on layaway--

KATE

Because you're not sixty.

MORGAN

But there's a reason I do it. Every time I make a payment I have to ask myself, do I still want this. And when I get to that last payment if the answer is 'yes, I still want this trampoline even though I don't have anywhere to put it' I get it with no regrets. But if the answer is 'no' like with that gas generator, which was just a Hurricane Harvey panic buy, I'm glad I had that time to decide.

KATE

Jimmy's not a gas generator.

MORGAN

Doesn't mean you can't still put him on layaway.

The lights go out.

KATE

Did the power just go out?

2/6

MORGAN

Dammit! I knew I should have gotten that generator.

KATE

Well, now your metaphor is totally falling apart! I thought you didn't regret not buying it!

MORGAN

Kate. You're never going to know if something is totally right. But you will know if something is 'wrong' and you're forcing it to be 'right'-- like leather leggings.

KATE

You don't like my leather leggings?

The lights come back on.

MORGAN

Power's back on. I guess I didn't need that generator after all.

JIMMY (O.S.)

Totally.

WE WIDEN TO REVEAL JIMMY EATING A SANDWICH.

JIMMY (CONT'D)

Is there a violinist playing Katy Perry's "I Kissed a Girl?"

KYLE

Nope. No. Definitely not.

JIMMY

This is so romantic. Kit-Kate. I'm so glad I was off this afternoon.

KATE GIVES JIMMY A KISS. KYLE ROCKS THE BOAT A LITTLE BIT.

KATE

It sucks I have to get back to class.

KYLE

It's fine, I think we all got the idea.

KYLE ROWS UP TO A DOCK.

INT. KERBEY LANE CAFE - DAY
(MORGAN, CRAIG)

MORGAN EATS BRUNCH WITH HER NEW BOYFRIEND, CRAIG (40).

➤ MORGAN

This place is so fancy.

CRAIG

Is it?

➤ MORGAN

I mean, we didn't take a number before we sat down. So, how's work?

› MORGAN (CONT'D)

The old engineering profession? The oldest profession-- That's not right.

CRAIG

I wanted to talk to you about last weekend. I wasn't at a conference. I lied to you.

› MORGAN

About what?

CRAIG

The thing is that I have--

› MORGAN

A wife??

CRAIG

Two--

› MORGAN

Wives?

CRAIG

Twins. I have twins.

› MORGAN

Twin wives? Is that legal?

CRAIG

I'm not married. I'm divorced. But

I have two--

CRAIG

› MORGAN

Kids.

Alimonies?

› MORGAN

Kids? Oh.

CRAIG

Sorry I wasn't honest with you sooner,
I thought it might be a deal breaker.

MORGAN

Technically I think it's a deals
breaker.

MORGAN SMILES WEAKLY BUT IT'S CLEAR WHAT'S COMING NEXT...

EXT. LADY BIRD LAKE - DAY
(KYLE, JIMMY)

KYLE AND JIMMY ARE ALONE ON THE LAKE.

JIMMY

I guess it would have been better to
drop Kate off by the boat rental
place.

KYLE

Yeah. For a million reasons.

JIMMY

She sure loved this canoe ride. You
know what? I want to do something
special for Kate.

KYLE

You proposed to her on her birthday.

JIMMY

I know but it wasn't extra special.
It was just at our regular bar. And
there were no balloons or anything.

KYLE

Gotta have balloons.
