[BARRY] BILL HADER

[GENE COUSINEAU]50s. Acting teacher extraordinaire, whose students worship the ground upon which he walks. He'll do what it takes to pull a great performance out of his students. He sees something in Barry's acting ability, but is quick to remind him that his classes aren't cheap...SERIES REGULAR

[FUCHES]30s-60s. Suave in a cheap suit. No-nonsense demeanor with a touch of a sarcastic edge. Barry's ambitious handler, the middleman when someone needs a hit-man. Seemingly unimposing, but a real weasel with a hidden agenda. He handles the business side of Barry's less-than-legal vocation....SERIES REGULAR

[SALLY]30s. Sweet and a bit of a party girl. Slightly manic with stealthy ambition. She's your best friend until a bigger name is around. She's a chronic over-sharer who portrays herself as a refreshingly honest person. SERIES REGULAR

[GORAN PAZER]50s. Chechen, small but imposing, he is the shot-caller for a powerful Chechen mob in Los Angeles. Feared by pretty much everybody, Pazer is stoic, intense, unflappable, and coolly straightforward. He's a study in extremes, a doting dad and a devout meditator with a flair for gaudy interior design who won't hesitate to kill you....SERIES REGULAR

[NOHO HANK]20s. Pazer's right hand man. A tattoo on his neck, yet conservatively dressed. Uber professional, enthusiastic and friendly. A new soul wrapped in the body of an old soul. He arranges the hit with Barry on Pazer's behalf, and is later confused to discover Barry fraternizing with the mark....SERIES REGULAR (Don't let the end fool you)

[RYAN MADISON]30s. A good looking, a "Midwestern dude". Former baseball player turned actor/personal trainer. He's a nice, but sometimes lonely guy, looking to make it big. Involved with one of his married clients, Ryan feels badly about the indiscretion, and is looking to end the affair. He befriends Barry, unaware that Barry is in LA to kill him...GUEST STAR

STORY LINE: BARRY features Bill Hader as an ex-Marine who works as a low-rent hitman in the Midwest. Lonely and dissatisfied in his life he begrudgingly travels to Los Angeles to kill someone and ends up finding an accepting community in a group of eager hopefuls within the LA theater scene.
