

**Role:** Landis

Male, all ethnicities, 35 years old, Max's stepsibling and roommate, Landis is semi-hot, and according to him he is best buddies with Max, Nat and Amy. He has the heart of a golden retriever puppy and the brain of a golden retriever puppy and the work ethic of a golden retriever puppy. Although Landis is straight, he appears to be "just friends" with the three women in his life. He's the first to realize that the bad smell coming from the crappy apartment above in fact is a dead body. He fears that a ghostly manifestation of the dead neighbor will soon appear, probably while he's masturbating...SERIES REGULAR (2)
